

Flight Review

Using the FAA 'WINGS' Program

KNOWLEDGE PORTION

The knowledge portion of the Flight Review will be completed online at the leisure of the pilot. Three online courses must be completed prior to beginning the flight portion. For each Knowledge Area you must select a course from a list. The course need not be completed in one sitting. You may complete a portion of one course and save your progress to be continued at a later time. Follow the instructions below.

Accessing The Courses

- 1.) Log onto www.faa.gov
- 2.) Register for an account under "Register Now" in the upper-right menu
- 3.) Login to your account
- 4.) Select "Wings Program" on the left-hand menu
- 5.) Select "My Wings" from the drop-down menu

In the center of the screen will appear the "My WINGS Tracking and Progress" Basic Phase table. In the left-hand column of this table will be shown the three required Knowledge Areas. These Knowledge Areas are as follows: KCB₁, KCB₂, and KEB.
