JULY 2009

Be sure to check out our website at beverlyflightcenter.com. For any and all questions, please email us at info@beverlyflightcenter.com.

Upcoming Ground Schools

PRIVATE PILOT: Begins on Tuesday August 18th @ 6:30 p.m. The instructor will be Ann Marie Murphy.

INSTRUMENT PILOT: TBA. The instructor will be Michael Bratt.

Recent Accomplishments

Beverly Flight Center, Inc. would like to congratulate the following individuals on their accomplishments during the month of June:

PRIVATE PILOT

William Scally, 6/8/09

COMMERCIAL

Dan Smith, 6/11/09

Employee Of The Month

Tristan Kent

Student Of The Month

This month's recipient for Student Of The Month is Dan Smith. Dan graduated from the North Shore Community College Aviation Science Program this spring and will be attending Bridgewater State College in the fall to continue his degree. In June Dan achieved his Commercial Pilot Certificate, very shortly will be taking the Multi-Engine rating exam, and enjoys flying the Citabria. His instructor is Dennis Silverio. Congratulations Dan!

Summer Has To Arrive Eventually...

The buzz in May was the bees. The buzz last month, however, was the lousy weather. June brought with it one of the longest stretches of poor weather that we have seen in quite some time. The entire latter half of the month brought day after day of IFR conditions. Fair weather is in the forecast, and let's keep our fingers crossed that summer FINALLY decides to arrive in July.

Goodbye Dennis

BFC will be saying farewell to one of the longest members of our family. Dennis Silverio, who has been instructing with us since 1979, has retired after 30 years of service. We wish him the best.

Runway Maintenance

Runway 16/34 is scheduled to remain closed until July 15th as it continues to undergo surface improvements. In the meantime, Runway 9/27 will remain the only option. Remember that the runup area for Runway 9 is now located on Taxiway Foxtrot. Following the Runway 16/34 project, resurfacing is scheduled to begin on Taxiway Foxtrot. We will continue to keep our customers updated with the status of all projects.

Customer Database

Beverly Flight Center is continuing to build our electronic customer database. If you have not already done so within the last two months, we kindly ask your cooperation in verifying that we have your most up-to-date information. This will only take a few minutes. We ask that you please bring in the following documents:

- 1.) Valid Photo Identification
- 2.) Logbook
- 3.) Pilot Certificate
- 4.) Medical Certificate

Once we receive your information we ask that you inform us of any changes.

Specials Of The Month

Multi-Engine flying! We have designed three packages designed to introduce you to the world of multi-engine flying, or to increase the experience level of those already rated.

Multi-Engine Rating
10 Hours Dual for \$2799

Multi-Engine Time Building
10 Hours Dual for \$2475

Multi Engine Time Building
10 Hours Solo for \$2125

Give us a call or come in for specific details.

THINK SUNSHINE!!!
