

BFC Newsletter

MAY 2008

Be sure to check out our website at Beverlyflightcenter.com. We also have two e-mail addresses where you can reach us with any all of the questions that you may have: "ArneBFC@verizon.net" and "Beverlyflightcenter@verizon.net."

Upcoming Ground Schools

PRIVATE PILOT: Begins on Tuesday May 20th @ 6:30 p.m. The instructor will be AnnMarie Murphy.

INSTRUMENT PILOT: T.B.A.

Recent Accomplishments

Beverly Flight Center, Inc. would like to congratulate the following individuals on their accomplishments during the month of April:

FIRST SOLO:

Kirsten Lanpher, 4/8/08

Jim Patrick, 4/28/08

Don Garland, 4/20/08

COMMERCIAL:

Colby Smith, 4/26/08

Flight Instructor Of The Month

Michael Costales

Student Of The Month

This month's recipient for Student Of The Month is Jim Patrick. Jim is a student pilot who conducted his first solo flight last month. His instructor is Jim Kelly. Congratulations!

New Aircraft / Tailwheel Training...

BFC will begin offering tailwheel training this month in our newly acquired Citabria, N2518Z. Tailwheel flying is different, challenging, and above all else FUN! Upon completion of the training you will receive a one-time endorsement in your logbook that will allow you to fly tailwheel aircraft (provided you have the training in the specific make and model of aircraft, of course). To commemorate this event we are offering a special introductory rental rate for the aircraft for the entire month of May: \$100.00/hour. Instructor rates and the fuel surcharge

will be additional. So come on by and check out the latest addition to our fleet!

Birds...

Our fellow aviators, the birds, are now out looking for places to nest. They love airplanes. Look for bird droppings or pieces of straw near the nose or tailcone. Look carefully in all intakes and the tailcone of the aircraft during your preflight. If you discover a nest notify a BFC employee right away. The nests are usually very extensive and have to be completely removed. Do not throw the nest on the ground as the birds will pick it up and replace it.

New Employee...

We would like to welcome Josh Sim to the BFC family. Josh will be replacing Jen Walsh as a dispatcher. Currently working towards his instrument rating, Josh hopes to get his Commercial and Flight Instructor certificates this summer. Welcome aboard Josh!

Aircraft Shares Available...

We currently have one share available in N656ST, our Avidyne-equipped 2007 Piper Archer III. See Arne for details if you are interested.

Pitot-Tube Covers...

Now that the warm weather has arrived, we will be resuming the use of propeller locks and pitot tube covers for all aircraft. Be careful to verify that both are removed prior to flight, and we request that you please replace the pitot tube cover after every flight.

Reminder...

We respectfully remind you to please be on time for your dual and solo appointments. It is very important as a courtesy to our business, our instructors, and to all of our customers. Thank you.

Enjoy Spring!
