Upcoming Ground Schools

PRIVATE PILOT: Begins on Tuesday September 8th @ 6:30 p.m. The instructor will be Ann Marie Murphy.

INSTRUMENT PILOT: TBA. The instructor will be Michael Bratt.

Recent Accomplishments

Beverly Flight Center, Inc. would like to congratulate the following individuals on their accomplishments during the month of August:

FIRST SOLO

Chris Ruggles, 8/09/09

Alec Buchbaum, 8/17/09

PRIVATE PILOT

Paul Maillet, 8/14/09

Joe Mercurio, 8/14/09

John Fiske, 8/15/09

Jodi Bulger, 8/19/09

Jack Rose, 8/27/09

Tom Meler, 8/27/09

Employee Of The Month

Sally Kroeker

Student Of The Month

This month we have two recipients for Student Of The Month. They are John Fiske and Tom Meler. Both achieved their Private Pilot licenses last month. John's instructor is Sally Kroeker and Tom's is Michael Costales. Congratulations John and Tom!

Taxiway Maintenance

Taxiway Foxtrot is in the final stages of a much-needed full resurfacing, and is scheduled to reopen in early September. During this period please be extra-diligent with taxi instructions and while taxiing in areas of construction. We will

continue to keep our customers updated with the status of all projects.

Cancellations

We have been noticing an increase of customers canceling their appointments many days in advance based on the long-range weather forecast. In many of these instances the weather turns out to be flyable. The result is a great flying day where the schedule is empty. Just remember that we are dealing with New England weather, where, as the saying goes, "if you do not like the weather wait ten minutes." Be patient and rely on short-range forecasts that are more accurate.

Rate Changes

Please be advised that the rental rates to some of our aircraft have undergone an increase. Please see the dispatcher for further details.

Windows

Open aircraft windows can lead to a not-so-nice surprise when rain showers and thunderstorms make their sudden appearances during the course of the day. Although our dispatchers check to make sure that all windows are closed at the end of the flying day, please help out by making sure to close the windows to the aircraft after your flight.

Special Of The Month

We will be offering a special for our 2007 Avidyne Entegra glass cockpit equipped Archer III (N656ST) for the month of August and September. The price will be \$499. The special will include:

- Avidyne Seminar of approximately 3 hours in length, held on Saturday September 22nd.
- 1 hour of interactive ground instruction
- 2 hours of dual flight time

For more details regarding this package, please speak with a dispatcher.

HAPPY FLYING!!!
