This month's recipient for Student of the Month is Jeff Reinold. Jeff received his instrument rating and started working toward his commercial immediately upon finishing the Instrument checkride. Jeff was a student at North Shore and is now studying at Salem State. His instructor is Bobby Curry, congratulations Jeff!!!

New Dispatcher

We would like to welcome David Mullin to the BFC staff as a dispatcher. David is a student at NSCC working diligently toward obtaining his Private Pilots License. David has thus far soloed and is working on his cross-countries with his instructor Paul Beaulieu. Welcome David.

Cancellations and No-Shows

Due to an increase in cancellations and NO-SHOWS, we would like to remind all customers of our cancellation and no-show policy. **"If a dual appointment is cancelled by the student, for any reason other than weather, with less than 18 hours notice, a \$58.00 fee will be incurred. The same fee will apply should a student fail to show for a dual appointment"**. While there are no penalties for cancelling solo aircraft rentals, we would greatly appreciate as much notice as possible as there may be other students or renters wanting to take the aircraft.

Parking and Landing Fees

Reminder to all customers flying to an airport other than BVY to check with the airport if there are landing fees or parking fees. **Paying these fees will be the responsibility of the renter.** www.AirNav.com is a great website to check if your intended destination has any parking or landing fees. Many times landing or parking fees will be billed directly to the Flight Center and some airports may take several months to send bills. If you receive a bill for a landing fee it's possible that it may have been from several weeks or even months ago.

Welcome Back Jen!!!

Jen Doyle, who many of you know as being Jen Walsh is joining the BFC crew again as a dispatcher. For those of you who don't know her, Jen graduated from North Shore Community College then finished her education at Embry Riddle in Florida. Jen worked for the Flight Center as a dispatcher for several years. Jen will be working four days a week. Welcome back Jen.

Welcome N.S.C.C. Students!

Welcome to all new and returning North Shore Community College students. We are keeping our fingers crossed for a semester of good training weather.
